

United States Department of Agriculture

BUREAU OF ANIMAL INDUSTRY

JOHN R. MOHLER, CHIEF OF BUREAU

INDEX TO SERVICE AND REGULATORY ANNOUNCEMENTS JANUARY-DECEMBER, 1930

[Routine items, which customarily appear in each month's issue, are not listed in this index. These items include: Changes in the meat-inspection directory; monthly tables of slaughter and condemnations under Federal meat inspection; monthly tables of imports of food animals and meats; monthly summary table of tuberculosis-eradication work; monthly summary table of hog-cholera-control work; monthly table of hog-cholera serum and virus production; monthly list of licenses issued for manufacture of biological products; results of prosecutions for violations of laws; and list of new publications of the bureau.]
